

Self Hate, Self Harm

By Oluwagbemileke Afariogun

This book is dedicated to Nani Ani Susi, the girl who suffered severe mental illness after watching her 7 year old child soldier brother, Rcube, get killed in 1999. The result of seeing her family torn apart, relatives getting raped and abused, led to a life time of self harming and hating. The book is also dedicated to all African child soldiers who have been exploited and had their childhood stolen, and all the black casualties of war (economical, psychological & physical war).

This book is based on a fictional interview of the winner of a fictional competition, Black Reverend Award 2018 by a young journalist.

[Interviewer]: Hi
[Black Rev 2018]: Hello, How are you?
[Interviewer]: I am good. Thank you.
[Interviewer]: You?
[Black Rev 2018]: I am very good.
[Black Rev 2018]: Thank you.
[Interviewer]: Why are you standing?
[Interviewer]: Please sit down.
[Black Rev 2018]: Which chair? Left or right?
[Interviewer]: Any
[Black Rev 2018]: OK I will sit on this one.
[Black Rev 2018]: These are really soft chairs
[Interviewer]: Only the best for you
[Interviewer]: Before we start
[Interviewer]: What would you like to drink?
[Interviewer]: coffee? tea? water? Ciroc? Myx?
[Black Rev 2018]: Is it free?
[Interviewer]: Yes it is
[Black Rev 2018]: Do you have juice?
[Interviewer]: Yes
[Black Rev 2018]: OK, I will have orange juice please?
[Interviewer]: Waiter! Come here please. Can you please bring two cups of orange juice?
[Interviewer]: Have you had breakfast?
[Black Rev 2018]: No
[Interviewer]: Can I ask if you want something to eat as well?
[Interviewer]: like a cake, fruit or bread?
[Black Rev 2018]: Can I have three bananas please
[Interviewer]: Yes you can
[Interviewer]: If you are hot let me know.
[Interviewer]: Because the heating is on.
[Interviewer]: People normally say they are cold
[Black Rev 2018]: I will
[Interviewer]: Are you ready to start the interview?
[Black Rev 2018]: Yes I am.
[Interviewer]: Great! Where do I start?
[Interviewer]: First, congratulations on wining the competition
[Interviewer]: Although you could see that you care so much for the black community
[Interviewer]: I believe one of the things that won you the competition was that statement
[Interviewer]: "People only understand things from their level of perception"
[Interviewer]: Tell me about that?
[Interviewer]: Explain it to me like I am a child
[Interviewer]: Do you understand?
[Black Rev 2018]: Yes I do

[Black Rev 2018]: Very good question.

[Black Rev 2018]: I got the idea from something I saw on TV last month

[Black Rev 2018]: This black man that was trying to make his skin light was talking to a woman

[Black Rev 2018]: This woman looks black

[Black Rev 2018]: Her hair, wide nose, thick lips, brown skin are all like a black person

[Black Rev 2018]: However this woman said she was not black

[Black Rev 2018]: She said if anything she is white

[Black Rev 2018]: and she is very happy and proud of her heritage

[Black Rev 2018]: She said everyone in her country think like this

[Black Rev 2018]: I believe she is from a country next to Haiti

[Black Rev 2018]: she was asked if her mother and father were the same race

[Black Rev 2018]: She said yes

[Black Rev 2018]: It was that afternoon, that I realised that

[Black Rev 2018]: "People only understand things from their level of perception"

[Interviewer]: Why is that?

[Black Rev 2018]: Because she would have been told this by her parents

[Black Rev 2018]: Her family, brothers, sisters and friends would have said the same thing

[Black Rev 2018]: and now her children will think the same

[Black Rev 2018]: The brother she was talking to that was not happy with his black skin was angry

[Black Rev 2018]: He said he was disappointed with people like her

[Black Rev 2018]: But the woman told him that, he is the one trying to be white when he is black.

[Black Rev 2018]: By making his skin look white

[Interviewer]: It is sad how our brothers and sisters do not realise how beautiful they are

[Interviewer]: they need to stop trying to look European and love themselves

[Black Rev 2018]: I know, it makes me sick, that is our problem we do not like what is ours. We always like what is theirs

[Interviewer]: That is sad, very sad

[Interviewer]: but I think the problem is because of the media

[Black Rev 2018]: Yes, they all have white boss

[Interviewer]: Let us talk about something more happy

[Interviewer]: The second thing that got you good points

[Interviewer]: I heard how you and your wife,

[Interviewer]: were happy with your daughter choosing a muslim husband

[Black Rev 2018]: Yes. She came into the house one night

[Black Rev 2018]: Called me from my room and told us the news

[Black Rev 2018]: she thought it will be a problem

[Black Rev 2018]: but the truth is, it is the same God. Muslim or Christian

[Interviewer]: That is true

[Black Rev 2018]: and now they have been happy and married for 10 years

[Black Rev 2018]: she just had a baby yesterday, a girl

[Interviewer]: Is that their first.
 [Black Rev 2018]: No third, they already have a boy and a girl
 [Interviewer]: So you are a grand father now, you do not look like one?
 [Interviewer]: how-old-are-you
 [Black Rev 2018]: I am a old man. I am 69, well I will be 70 next month
 [Interviewer]: whats-your-date-of-birth
 [Black Rev 2018]: 1st June
 [Interviewer]: That is in 8 days. Happy-birthday
 [Black Rev 2018]: Yes, next week
 [Interviewer]: What did you do for the wedding?
 [Interviewer]: Was it Muslim or Christian
 [Black Rev 2018]: She wanted to have a traditional church wedding. So we did it at a Church in Lagos.
 [Black Rev 2018]: and the party was at a hotel on the beach. By First road. Less than 1 minute walk from the church.
 [Interviewer]: I have heard about that hotel, it is near the airport.
 [Interviewer]: Was it a big party?
 [Black Rev 2018]: Yes it was.
 [Interviewer]: It has to be
 [Interviewer]: Did everyone in your church come?
 [Black Rev 2018]: Yes. Everyone. You should see the dance we did together. We had a-lot of fun.
 [Interviewer]: How big is your church
 [Black Rev 2018]: With me and my family, 991. That is everyone in my church
 [Black Rev 2018]: So you can see the party has to be big
 [Interviewer]: True. What did you cook for your family and friends?
 [Black Rev 2018]: We cooked rice, chicken and meat and lots of alcohol. A drunk friend even went for a swim in his clothes.
 [Black Rev 2018]: Some of my friends are stupid
 [Interviewer]: HaHa, do you have any pictures on your phone that I can see.
 [Black Rev 2018]: Yes. Do you have internet?
 [Black Rev 2018]: I need WiFi to get the pictures
 [Interviewer]: Yes we do. The name is kiss
 [Interviewer]: the password is
 [Interviewer]: 1-2-3-4-5-6-7-8-9, A-B-C
 [Black Rev 2018]: Thanks. This internet is slow
 [Interviewer]: Is that a joke? I think it is fast
 [Black Rev 2018]: I am joking
 [Black Rev 2018]: I have the pictures
 [Black Rev 2018]: This is at the church.
 [Interviewer]: She is beautiful, she has your eyes and head
 [Interviewer]: Her clothes are beautiful and she is very tall.
 [Interviewer]: Yours are nice too.

[Black Rev 2018]: Yes, they are Prada from Europe, my shoes are from Italy too.
[Interviewer]: Who is that?
[Black Rev 2018]: My wife's boss
[Interviewer]: She is white
[Black Rev 2018]: Yes, it is very good of her to come, she is a good woman. She owns all of the big shops in Africa and the Carribean
[Interviewer]: What is her name?
[Black Rev 2018]: Elizabeth
[Interviewer]: Why is she wearing that, I can see her legs
[Interviewer]: She has no class
[Black Rev 2018]: Why do you say that?
[Interviewer]: Look at how she is standing. Also I am a muslim and I think a woman should wear nice clothes and not show her body
[Interviewer]: Who is that short man opposite her
[Black Rev 2018]: That is her son, he told me he was very happy with the Shakespeare book I read.
[Interviewer]: Shakespeare?
[Black Rev 2018]: Yes, my daughter said only one book that is not the bible can be read. So I choose Shakespeare.
[Interviewer]: Nice. You have class
[Interviewer]: I can not believe it! You know a lot of important people, is that Chinua-Achebe?
[Black Rev 2018]: Yes, he is a friend of the family
[Black Rev 2018]: and that is RunTown next to him, the music was by RunTown
[Interviewer]: You know RunTown is married to my friend.
[Black Rev 2018]: I do not believe you
[Interviewer]: It is true
[Interviewer]: I have a picture, see
[Black Rev 2018]: It is a small world
[Interviewer]: Yes
[Black Rev 2018]: Who is that with the very long hair next to you?
[Interviewer]: That is my wife
[Black Rev 2018]: Really? Is she black?
[Interviewer]: Yes, her parents are black
[Black Rev 2018]: But the hair?
[Interviewer]: That is that new hair everyone has from the shop
[Black Rev 2018]: It looks great
[Interviewer]: Thanks, my daughter wants one, but I said only if she does well at school
[Interviewer]: OK, lets get back to what we are here to do
[Interviewer]: About your daughter, what if her husband was a Traditional African religion man, voodoo, called black-magic by the european
[rev]: No, I will not be happy. That is a devil religion
[Interviewer]: As a muslim, I believe the same

[Black Rev 2018]: I know, that is why I have no problem with Islam. I do not think it is the same the other way. Muslim do not like Christian

[Black Rev 2018]: Yesterday morning I was talking to this Iraqi bus driver that did not like the USA because of what they did to his country. He said why am I a Christian when that was the religion of my enslavers.

[Interviewer]: That is true.

[Black Rev 2018]: Well, I said Islam is also the religion of my enslaver. It is the same God.

[Interviewer]: That is also true

[Black Rev 2018]: He said that was not true

[Black Rev 2018]: He wanted to show me a movie on his phone about what some people said about it, but his iOS was broken

[Black Rev 2018]: He took my number and said I will hear from him when his phone is fixed

[Interviewer]: I do not understand why people can not think for themselves

[Black Rev 2018]: What is the time

[Interviewer]: 11 - 50

[Black Rev 2018]: Can we stop for food at 12 o'clock? I need to eat

[Black Rev 2018]: I also need to see something at 12 - 30 on Tidal

[Interviewer]: Can you not see it tomorrow

[Black Rev 2018]: No. I can only see it today. It is only on Tidal.

[Interviewer]: Tidal, is that, that media shop by the Carters?

[Black Rev 2018]: Yes

[Interviewer]: I have Spotify, heard Spotify has music that Tidal does not have and I do not always need the internet to hear the music

[Black Rev 2018]: You do not need the internet for Tidal too and what music is not on Tidal

[Interviewer]: I like Dance and Pop and Tidal is just Rap

[Black Rev 2018]: No it is not.

[Black Rev 2018]: You should get Tidal

[Interviewer]: No. I will not. What have the Carters done for us

[Black Rev 2018]: I do not know much about the Carters but they will have done something good for the world

[Interviewer]: Tell me one thing, and even if you can they can do more

[Black Rev 2018]: So you choose Spotify because of that?

[Interviewer]: Yes. Also my Boss at the BBC does not like Beyonce and I am afraid to upset him. He pays me.

[Black Rev 2018]: I understand. But why does he not like her?

[Interviewer]: He is from a very rich USA family, his parents owns 5 NFL-clubs from the - 1970s so he did not like the NFL or should I say 2Super Bowl thing she did

[Interviewer]: OK, I think we should stop for now. I need to pray.

[Black Rev 2018]: You need to clean your ears and mouth first, before you pray. Do you not?

[Interviewer]: Yes, my body. As a Muslim I need to do this before I pray

[Black Rev 2018]: OK. Good time to stop. I will eat as you pray

[Interviewer]: Great

[Black Rev 2018]: Is that food mine?

[Black Rev 2018]: It smells nice and I know it will taste nice as well

[Interviewer]: Yes it is yours

[Black Rev 2018]: Where is the toilet? I need to clean my hands

[Interviewer]: It is up there

[Interviewer]: So you know, the thing in the toilet is broken, you need to pull it before you push it. So the water can come out.

[Black Rev 2018]: OK can we start at 1 O'clock because of the thing on Tidal

[Interviewer]: Great see you in about one hour

Time: 1 O'clock

[Interviewer]: How was the food

[Black Rev 2018]: Very good thanks

[Black Rev 2018]: Did you eat?

[Interviewer]: Not really. Was tired so laid on the bed in my private room

[Black Rev 2018]: Did you sleep?

[Interviewer]: I did sleep a little

[Interviewer]: I thought of a question, which I wrote down

[Interviewer]: I will ask you at the end of this interview.

[Black Rev 2018]: Good

[Interviewer]: So how was the Tidal show and what was it about?

[Black Rev 2018]: Very good. It was about the high numbers of black people in hospital for crazy people

[Interviewer]: That is an interesting thing to talk about for this interview because it is to do with black people.

[Interviewer]: It would be interesting to know what you think of the show.

[Black Rev 2018]: It was sad and funny, this crazy black man on the show was saying crazy things like

[Black Rev 2018]: "They have done white-magic on all of you"

[Black Rev 2018]: "By making you do things that is not good for your children and their children"

[Black Rev 2018]: "They say slaves are no more slaves, that you can now go."

[Black Rev 2018]: "That now there is only a Labour class, Middle class and the Rich"

[Black Rev 2018]: "But the truth that they will not tell you is that they created a new class. The Desperate class"

[Black Rev 2018]: "This class is more bad than the slaves"

[Black Rev 2018]: "They are happy to do things that the enslavers will find hard to make slaves do"

[Black Rev 2018]: "The funny thing about the Desperate class is, they are in all the 'class'. Labour, Middle and Rich"

[Black Rev 2018]: "The people above, are desperate to keep what they have, have what other people have or are desperate to be accepted"

[Black Rev 2018]: "So they will do things that is good for themselves but bad to the black community"

[Black Rev 2018]: "Can you not see that, what is bad for the black community is bad for you, your children and their children and their children"

[Black Rev 2018]: "Where are the children of the black sellers of African people that the Europeans took to Jamaica today"

[Black Rev 2018]: "Think. Think."

[Black Rev 2018]: "Even Kito-Brom and Madu-Beng they are all in the Desperate class"

[Black Rev 2018]: "That is why he would not do anything that will not make white people happy"

[Interviewer]: What? Kito-Brom? He has 540 million dollars and 20 cars, Ferrari, Bentley, if a car is beautiful he will get it

[Interviewer]: and Madu-Beng he is very rich because of his music and has 991 million people on Social-Media

[Black Rev 2018]: I know. He is crazy

[Black Rev 2018]: He also said

[Black Rev 2018]: "The people under, are just desperate to eat"

[Black Rev 2018]: "So some will do anything for anything"

[Black Rev 2018]: "Just look at all the black people that illegally go to Italy on dangerous boats"

[Interviewer]: Yes, I saw something about that on TV some days back.

[Interviewer]: The bad way people in Italy treat the black people from the boat. It is serious.

[Interviewer]: This was a question I wanted to ask you in the interview

[Interviewer]: What is the problem in Africa, it is so rich and at the same time it has all these poor people

[Interviewer]: All the boss of Africa should have fixed Africa. Why have they not?

[Black Rev 2018]: My brother, a country like Italy, US or Europe is too rich. Because they are rich, they have a lot of power so they can tell the boss of Africa what to do.

[Black Rev 2018]: So I think all the boss of Africa are just slaves to their desire to be rich and are afraid of making Europe or US angry.

[Interviewer]: Are these boss really like that? How can they look at themselves in the mirror. What can Europe or US do, explain what "They have a lot of power is".

[Black Rev 2018]: They can change the boss of a country and they have weapon that can destroy the world.

[Interviewer]: That is what I was saying yesterday. That a country like North-Korea and Iran may just be making that weapon so that they are safe. Not to attack other country.

[Interviewer]: But the US and Europe are saying they should not have it

[Interviewer]: Who is that crazy to attack a country with that type of weapon.

[Black Rev 2018]: No one. I do not think.

[Interviewer]: Yes I do not think any country is crazy like that. Any!

[Black Rev 2018]: That is true.

[Black Rev 2018]: Something just came to my head. I think only one country did it before

[Interviewer]: Who?

[Black Rev 2018]: The USA, but I am not sure.

[Interviewer]: No that would be crazy, if they had. How can they say no to North-Korea and Iran.

[Black Rev 2018]: Why do you care so much about North-Korea and Iran.

[Black Rev 2018]: Do they care about black people?

[Interviewer]: I do not know.

[Interviewer]: No one knows anything about North-Korea. All I know is that the boss of North-Korea like basketball

[Black Rev 2018]: Funny. That makes me think of something fun that crazy man in the hospital said.

[Black Rev 2018]: he said,

[Black Rev 2018]: "The Jews gave you Jesus 2000 years before today"

[Black Rev 2018]: "the British with their 2000 years old royal family and their friends told you, you were not genuine people"

[Black Rev 2018]: "now they say you are now genuine people but your god is not genuine. Their god is the genuine god. Your god is the devil"

[Black Rev 2018]: "The same people that said Iraq had weapon that can destroy the world"

[Black Rev 2018]: "Now say crypto-currency money is the new money and people destroy the world and the weather when they create new things for the new world"

[Black Rev 2018]: "man-made-climate-change"

[Black Rev 2018]: "They will use this to stop us"

[Black Rev 2018]: "They do not want black people to have a good life, they want us to always work for them. Be under them"

[Black Rev 2018]: "When will you start to see that, they are not our friends. Can you not see how things end for Gadafi, Saddam"

[Black Rev 2018]: "Remember, what is beautiful is a belief, money is a belief, what to fear is learnt"

[Black Rev 2018]: "What we need is a mind revolution"

[Black Rev 2018]: "If you think you can keep doing the same things and have a good life, you are crazy"

[Black Rev 2018]: "Revolution of the mind will make your head hurt when you hear it first"

[Black Rev 2018]: "So I need to find a way to get it in there, slow, so that it does not hurt so much"

[Black Rev 2018]: I was like, what? he is crazy

[Black Rev 2018]: Revolution of the mind? Crazy and funny

[Interviewer]: Very funny

[Black Rev 2018]: He also said this very crazy thing

[Black Rev 2018]: "Everyone is trying to get the dollar"

[Black Rev 2018]: "Donald-Thump reward / loyalty point"

[Black Rev 2018]: "USA is USA it does not matter who the taxi driver is"

[Black Rev 2018]: "Where we go is the same"

[Black Rev 2018]: "Donald-Thump or no Donald-Thump"

[Interviewer]: Very crazy

[Interviewer]: Donald-Trump is bad, he wants a wall

[Black Rev 2018]: USA is bad, they send their police to Mexico and arrest Mexico people for drugs

[Black Rev 2018]: Mexico people suffer because of drugs that cost 0 dollars in Mexico but a lot more in the USA

[Black Rev 2018]: Can Mexico send their police to USA to stop the people that use it and created the market. The Mexico police can then send USA people with drugs to Mexico prison to suffer

[Black Rev 2018]: They make Mexico and South-America people look like they are all drug sellers

[Interviewer]: I have to ask you this time, why do you care about Mexico and South-America people so much.

[Interviewer]: Do the drug sellers of Mexico and South-America and the people of Mexico and South-America care about black people?

[Black Rev 2018]: I do not know

[Interviewer]: What you are saying is like how poachers are killed in Zimbabwe, but European people can show the thing the poachers got in their house and not get killed. If there are no European people that want these things there will be no poachers.

[Black Rev 2018]: I did not think of it that way

[Interviewer]: So, I need to ask you, Zimbabwe? Why are things so bad there?

[Interviewer]: Mugabe has created a bad country

[Black Rev 2018]: I know. I can not believe what he did. Who takes people's things by force

[Interviewer]: I know

[Black Rev 2018]: Now the money of Zimbabwe is not high

[Interviewer]: How did the money get bad?

[Black Rev 2018]: I do not know

[Interviewer]: How does the money of Zimbabwe work? How does money work?

[Black Rev 2018]: I think it is all based on the dollar

[Interviewer]: Maybe. Zimbabwe money can not be as bad as Venezuela money

[Interviewer]: The Venezuela people have all come to USA now.

[Black Rev 2018]: Really?

[Interviewer]: Yes, That is how bad things are

[Interviewer]: You should see how bad Donald-Trump care for them when they get there illegally

[Black Rev 2018]: What is happening in USA. Things are really bad for people that are not white.

[Interviewer]: True, I did an interview with this black mother last month that her son got killed by the police in USA

[Interviewer]: It was very sad

[Interviewer]: She wants 1000 people from any where in the world to email her support so she can write about it to the UN and the USA boss.

[Interviewer]: They need at least 1000 people to support something before they read it but she only has 80 people

[Black Rev 2018]: That is sad. We should pray for her.
 [Interviewer]: Yes please do. I do too. That is why I went to pray at 12. Now I pray 5 times a day because of her
 [Interviewer]: We should also pray for our brothers and sisters that are in the hospital and are crazy
 [Black Rev 2018]: Yes we should my brother
 [Black Rev 2018]: I just thought of something in the show that was very funny
 [Interviewer]: Tell me
 [Black Rev 2018]: The man was saying "Shape-shifters!!!" "Shape-shifters!!!" "Shape-shifters!!!" "Shape-shifters!!!" "Shape-shifters!!!" They are here and there. There is no where to run
 [Black Rev 2018]: So the doctor asked him "What is a Shape-shifter?"
 [Black Rev 2018]: He said:
 [Black Rev 2018]: "These are people that make you think they are not the same people/country"
 [Black Rev 2018]: "So when they do things to other country you will think different people and country said yes to it"
 [Black Rev 2018]: "The Europeans killed and went to the USA, Canada, Australia, New-Zealand, they now come together and say it was 4 of them that said yes."
 [Black Rev 2018]: "Does this not make your head hurt, the Spanish went to South-America killed a lot and forced everyone to be Cathtolic, but the house of the Pope is in Italy. They say they are different people."
 [Black Rev 2018]: "The country where they are not the same people they use money and power - colonisation, to make them say yes"
 [Interviewer]: This is crazy, he is crazy
 [Black Rev 2018]: I know, the doctor said,
 [Black Rev 2018]: "You know what your problem is? You are crazy and you do not realise you are crazy. If you only know you are crazy you will not be crazy"
 [Interviewer]: That is funny but very true
 [Black Rev 2018]: I know, Do you know what the crazy man said to the doctor?
 [Interviewer]: What?
 [Black Rev 2018]: "You know what your problem is? You are stupid and you do not realise you are stupid. If you only know you are stupid you will not be stupid"
 [Interviewer]: Did he say that? He will not come out of that hospital, he is very crazy.
 [Black Rev 2018]: I know, the doctor said he was making everyone in the hospital angry
 [Black Rev 2018]: That he should say sorry to everyone and the Jews in the hospital
 [Black Rev 2018]: He said, no
 [Black Rev 2018]: So they gave him something to make him sleep
 [Black Rev 2018]: As they gave him something to sleep he was saying:
 [Black Rev 2018]: "They want me to sleep, wake up, wake up"
 [Black Rev 2018]: "All black people, wake up, wake up and unite"
 [Black Rev 2018]: "I am talking to you, yes, you!"
 [Black Rev 2018]: "Wake up!"
 [Black Rev 2018]: "Wake up!"

[Black Rev 2018]: "Wake up!"

[Black Rev 2018]: "The black doctor said my eyes are open you are the one that is about to sleep."

[Interviewer]: Very funny

[Interviewer]: This show is sad, he said some crazy things but I like what he said about how African people were sellers of Jamaican people to European people

[Interviewer]: My parents told me this. You know I am from Jamaica?

[Black Rev 2018]: And you believe it?

[Black Rev 2018]: Yes some black people did it. A small number.

[Black Rev 2018]: But not all Africans. Just like today a lot of Africans are poor. Only a small number are rich.

[Black Rev 2018]: It is the same thing that happened back then that is happening now. A small number of black people are working with the Europeans. while most black people suffer.

[Interviewer]: That is true. I have been angry with Africans for a long time.

[Black Rev 2018]: You should not be. We have the same ancestors because some people would have missed your ancestors when they forced them to go to Jamaica, their parents, brothers, sisters and other family

[Interviewer]: That is also true

[Interviewer]: This world is crazy

[Interviewer]: How can we make it a good world for us

[Black Rev 2018]: MJ said it all in Man in the Mirror

[Interviewer]: But is he not crazy?

[Black Rev 2018]: I know, look at the bad things he did to little children

[Black Rev 2018]: That is what we will remember him for, although the law house said he did not do anything bad.

[Interviewer]: That is true! Although his music was very big. Everyone knows his music, he was as big as Elvis

[Interviewer]: Another crazy black man. Why could he not be as normal as Elvis? Elvis is remembered for his genuine black music. Elvis was a family man.

[Interviewer]: He met his wife when he was 24 and she was 14. Search for it online. If you do not believe me.

[Black Rev 2018]: I believe you. You are right, people will always remember Elvis for his music.

[Black Rev 2018]: I think MJ was trying to be like Elvis because he married Elvis only daughter.

[Interviewer]: He did! That is true.

[Interviewer]: How did we start talking about this?

[Black Rev 2018]: You asked me, "How can we make it a good world for us"

[Interviewer]: That is true. I remember now.

[Interviewer]: So we all need to change?

[Black Rev 2018]: Yes, -Arch-bishop-Desmond-Tutu said

[Black Rev 2018]: "If you are neutral in situations of injustice, you have chosen the side of the oppressor"

[Interviewer]: That makes you think

[Black Rev 2018]: Yes it does.

[Interviewer]: OK, I think we should stop the interview now

[Interviewer]: We do not have any more time. But I have got enough things to write about you

[Black Rev 2018]: Great! Was just thinking we should stop too. Because I need to go in a minute to hear old testimonies about how great Jesus is.

[Interviewer]: Old testimonies?

[Black Rev 2018]: Yes, testimonies about how christian slave sellers from Europe will pray to Jesus to help them with the dangerous boat journey to Africa. That is why they were so successful. Because of the help they got from Jesus. Jesus is great!

[Interviewer]: My brother I have the same type of testimonies about Mohammed. Mohammed is the great one!

[Black Rev 2018]: No Jesus is great

[Interviewer]: No Mohammed is great

[Black Rev 2018]: Jesus is great

[Interviewer]: Mohammend is great
